**To:** Lorie Carey  
**Subject:** Minutes from Policy Meeting

Good Morning Lorie,

Below are the minutes from our Policy Meeting that took place on 1/13.

Policy Committee Meeting  
Date: January 13, 2023

Committee Members Present: Jenny Genger, Lindsey Graham, Dani Morris  
Administrators Present: Erik Wilkerson, Mike Moodry  
Staff Present: Aubrie Carey

Additional people present: Quinn Schultz, Keith Schultz

Meeting called to order by Dani Morris at 10:03

Quinn Schlutz spoke and presented some materials on why she felt JHS should adopt a weighted GPA policy.

Jenny Genger expressed her views and how she felt if there was any change it would need to be started with an incoming freshman class.

Mike Moodry explained the difference between a regular diploma and an honor diploma

Quinn Schultz suggested that we use 2 different scales for GPA (weighted vs. non-weighted)

Aubrey Carey explained that we currently have a procedue in place in regards to GPA that is in the handbook and adopted by the board. We do not have a GPA policy. We would either need to implement a new policy or update thh handbook procedure.

Lindsey Graham recommended that we keep the policy as is and begin to work on an updated policy for the future that would clearly outline GPA requirements. She suggested we invite staff and administration to provide guidance into a policy and study what other schools and districts are doing. This is what the policy committe plans to recommend to the board at the upcoming board meeting on 1/17.
