**NEXT HIGH SCHOOL BOARD MEETING: 6:30 P.M. September 18, 2012**

BOARD CHAIR-APPROVED AGENDA ITEMS ARE DUE IN THE DISTRICT OFFICE BY THE LAST FRIDAY OF THE MONTH PRIOR TO THE BOARD MEETING.

**Draft Mission Statement**

*The Jefferson High School District #1's mission is to provide the best possible education for our youth for whatever path of life they choose; to be the school of choice for students, teachers, and staff; and to be the heart of the communities we serve.*

(Mission statements name what we're all about, what we want to be known for, what makes us unique, and convey a strong image for ourselves and our stakeholders. They are one sentence long, appear in our school in prominent ways, are printed on all of our agendas, and are read aloud at the beginning of all meetings. They are understandable to our next door neighbors. They do not explain how we go about our work, nor are they just three or four words; that is a slogan and fits on a pen)

**Our vision for the future, second draft:**

**Students:**

- *Achieve high test scores and graduation rates that are competitive nationally;*
- *Graduate with a plan for life that they feel well equipped to pursue;*
- *Choose our school over other options because of our solid reputation;*
- *Feel happy, challenged, safe and supported throughout their time here;*
- *Appreciate and fully engage in our activities that augment our core curriculum; and*
- *Have access to technology that enhances their learning opportunities.*

**Teachers:**

- *Actively support students with their time, attention and obvious commitment;*
- *Have the tools and resources necessary to do optimal work;*
- *Are proud to work here and of their contribution to the school;*
- *Are committed to continuing education and the use of best practices;*
- *Look at our District as a long-term career commitment; and*
- *Feel confident about the Board's decisions and plans.*

**Our Administration and Board**

- *Commit to be knowledgeable about best practices*
- *Establish, devote themselves to, and evaluate their priority goals on a regular basis; and*
- *Work as a collaborative team to make decisions that always focus on what's best for students, teachers and our communities.*

**Our communities:**

- *Are knowledgeable of and highly respect our commitment to excellence; and*
- *Support our work in many ways – their time, funds, levy votes, ideas, and enthusiasm about our students and their activities.*

(Vision statements name the results we are seeking, the outcomes of our work, the optimal world we want to create. They are intentionally spoken in the present tense for the power and positive attitude it conveys, versus "We will ..." They are not achievable next week; they require long-term commitments.)

*All board meetings are generally held in the Jefferson High School Library, on the third Tuesday of each month at 6:30 p.m. (Exceptions often occur in May and August to follow legal requirements.)*

*For updates, call the district office at 225-3740.*

5 Substitutes

6

7 The Board authorizes the use of substitute teachers as necessary to replace teachers who are  
8 temporarily absent. The principal shall arrange for the substitute to work for the absent teacher.  
9 Under no condition is a teacher to select or arrange for a private substitute.

10

11 The Board annually, at the regular July Board meeting, establishes a <sup>hourly</sup> daily rate of pay for  
12 substitute teachers. No fringe benefits are given to substitute teachers.

13

14 Substitutes for classified positions will be paid by the hour. When a classified employee is  
15 called upon to substitute for a teacher, the teacher sub rate shall apply unless the classified rate of  
16 pay is higher.

17

18 All substitute teachers will be required to undergo fingerprint and background checks.

6  
7 Procedure for Maintenance of District Policy and Policy Manual

8  
9 The official copy of the policies of Jefferson High School District #1 is maintained as an electronic PDF  
10 (Adobe portable document file). The singular location for this official Policy Manual is on the JHS server  
11 and it is accessed via the JHS website on a page designated for this purpose in the district information  
12 section of the site.

13  
14 Generally, each year the Board establishes a policy committee. The purpose of the committee is to  
15 review or construct policy additions or change proposals and make recommendations to the full Board  
16 for action.

17  
18 ~~The policy committee will maintain a record of the policy proposals currently under consideration and a~~  
19 ~~historical archive of proposals they have considered. This record will reside with the current Chair of the~~  
20 ~~policy committee.~~ The committee may develop its own methods for tracking and processing their work.  
21 This may include internet or other posting of materials, working copies of policy proposals and methods  
22 for incorporating public input in the process. All methods used by the committee will adhere to open  
23 meeting law requirements.

4  
25 All policies that include a due date or other date-related requirement for the Board, administration, staff  
26 or other persons or entities will be listed on a "Board Timeline Index" which will follow the Master Index  
27 in the district policy manual.

28  
29 The procedure for processing policy proposals is:

- 30  
31 1. Committee meets as needed to review and research policy proposals and may revise or  
32 construct drafts of the policy proposals.
- 33 2. Proposed policy draft is submitted to the Superintendent to be included on the agenda at the  
34 next regularly scheduled board meeting. For policy changes, written drafts must be the current  
35 policy language with deleted language formatted with a strike through and new language  
36 underlined. The agenda item will include the policy number, title and a brief description of the  
37 proposal.
- 38 3. District Clerk disseminates proposed policy marked as "1st Reading Draft" to trustees.
- 39 4. If approved on 1st Reading, the District Clerk incorporates any changes made on 1st Reading in  
40 to the draft policy with markup formatting and disseminates the updated draft to the Board  
41 marked as "2nd Reading Draft" and adds the proposed policy for 2nd Reading to the agenda for  
42 the next regularly scheduled board meeting.
- 43 5. If approved on 2nd Reading, the District Clerk incorporates any changes made on 2nd Reading,  
44 removes the markup formatting, and emails the final approved policy Word document to the

District's provider of policy maintenance services, if any, as soon as possible but not more than five working days after approval.

6. Policy maintenance vendor adds the approved policy document to our word documents on their site, updates the Board Timeline Index if needed, and posts a new full Policy Manual PDF to our directory on their website. The file name of the official policy manual PDF will include the date and time the file was generated.

Example: Jefferson High School District Policies-20110610-1259pm.pdf

7. District Clerk downloads the updated PDF and posts it to the JHS website. The District Clerk moves the former versions of the official policy manual to a linked page on the site where they will be maintained for historical purposes.
8. If the District does not use a policy maintenance service, then the District Clerk will update the PDF file locally.

To Whom It May Concern,

With the Elkhorn Mine going into production, we are now receiving metal mines license tax funds from that mine. A portion of these funds are to be distributed to affected school districts. As this is a new mine, the Commission must decide which schools the license tax should be distributed to. If possible, please submit verifiable evidence that your school district is or could be affected by the start-up and eventual closure of the Elkhone Mine.

Sincerely,

August 11, 2012

Dear Sabrina, Jim, et al:

I am writing to resign my position on the Board of Trustees. I feel you and the students will be better served by a new face and a bright outlook.

The committee meetings require anyone with a job to take vacation to attend. I am not interested in spending my vacation at board or committee meetings. I am sure a person with a more amenable schedule can better serve you and the students. I would like to have my signature stamp returned to me intact.

Thank you for all that you and the teachers do. This is effective immediately.

Good luck.

Sincerely,

*Kathleen Jackson*

August 2012

1. **Day-to-day activities in the District Office.** I attended a GEMS training in Butte August 1.
2. **Student Handbook.** Mr. Mikesell is currently reviewing the handbook so we can make corrections or additions to put out with the calendar. This will be available when students arrive.
3. **Tuition** submitted to OPI was \$27,322.38, up from \$25,000.

## BUDGET

The REVENUE BUDGET, which you need to approve at this meeting, is part of this packet. Notice that the General fund budget is higher than originally anticipated. This is due to #3 above – tuition. There is a chance OPI may not accept some of the days submitted but at this point, the higher number was accepted.

Also keep in mind that the EXPENDITURE BUDGET detail will not be available until September as has always been the case.

## Jefferson High School

SCHOOL DISTRICT #1  
Box 838  
BOULDER, MT 59632

July 24, 2012

Jefferson County Board of Commissioners  
118 West Centennial  
P.O. Box H  
Boulder, Montana 59632-0249

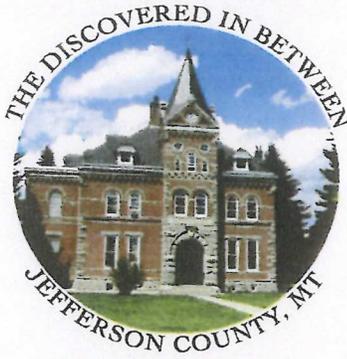

Dear Commissioners:

Jefferson High School District will be greatly impacted by the new Elkhorn Mine. The mine sits in the middle of the high school district and a little to the east. Because the Elkhorn Mine is rurally isolated, most of the mines employees and the employees of its subcontractors will have to live within the high school district due to the driving time involved in getting to the mine.

Also, Elkhorn does not offer housing or other necessary services. Therefore, the employees will have to live in Boulder and the surrounding Jefferson High School District. Clearly, our district will be affected by the start-up, operation, and eventual closure of the Elkhorn mine. Metal mines license tax funds should be provided to Jefferson High School District #1.

Sincerely,

James D. Whealon  
Superintendent

To Whom It May Concern,

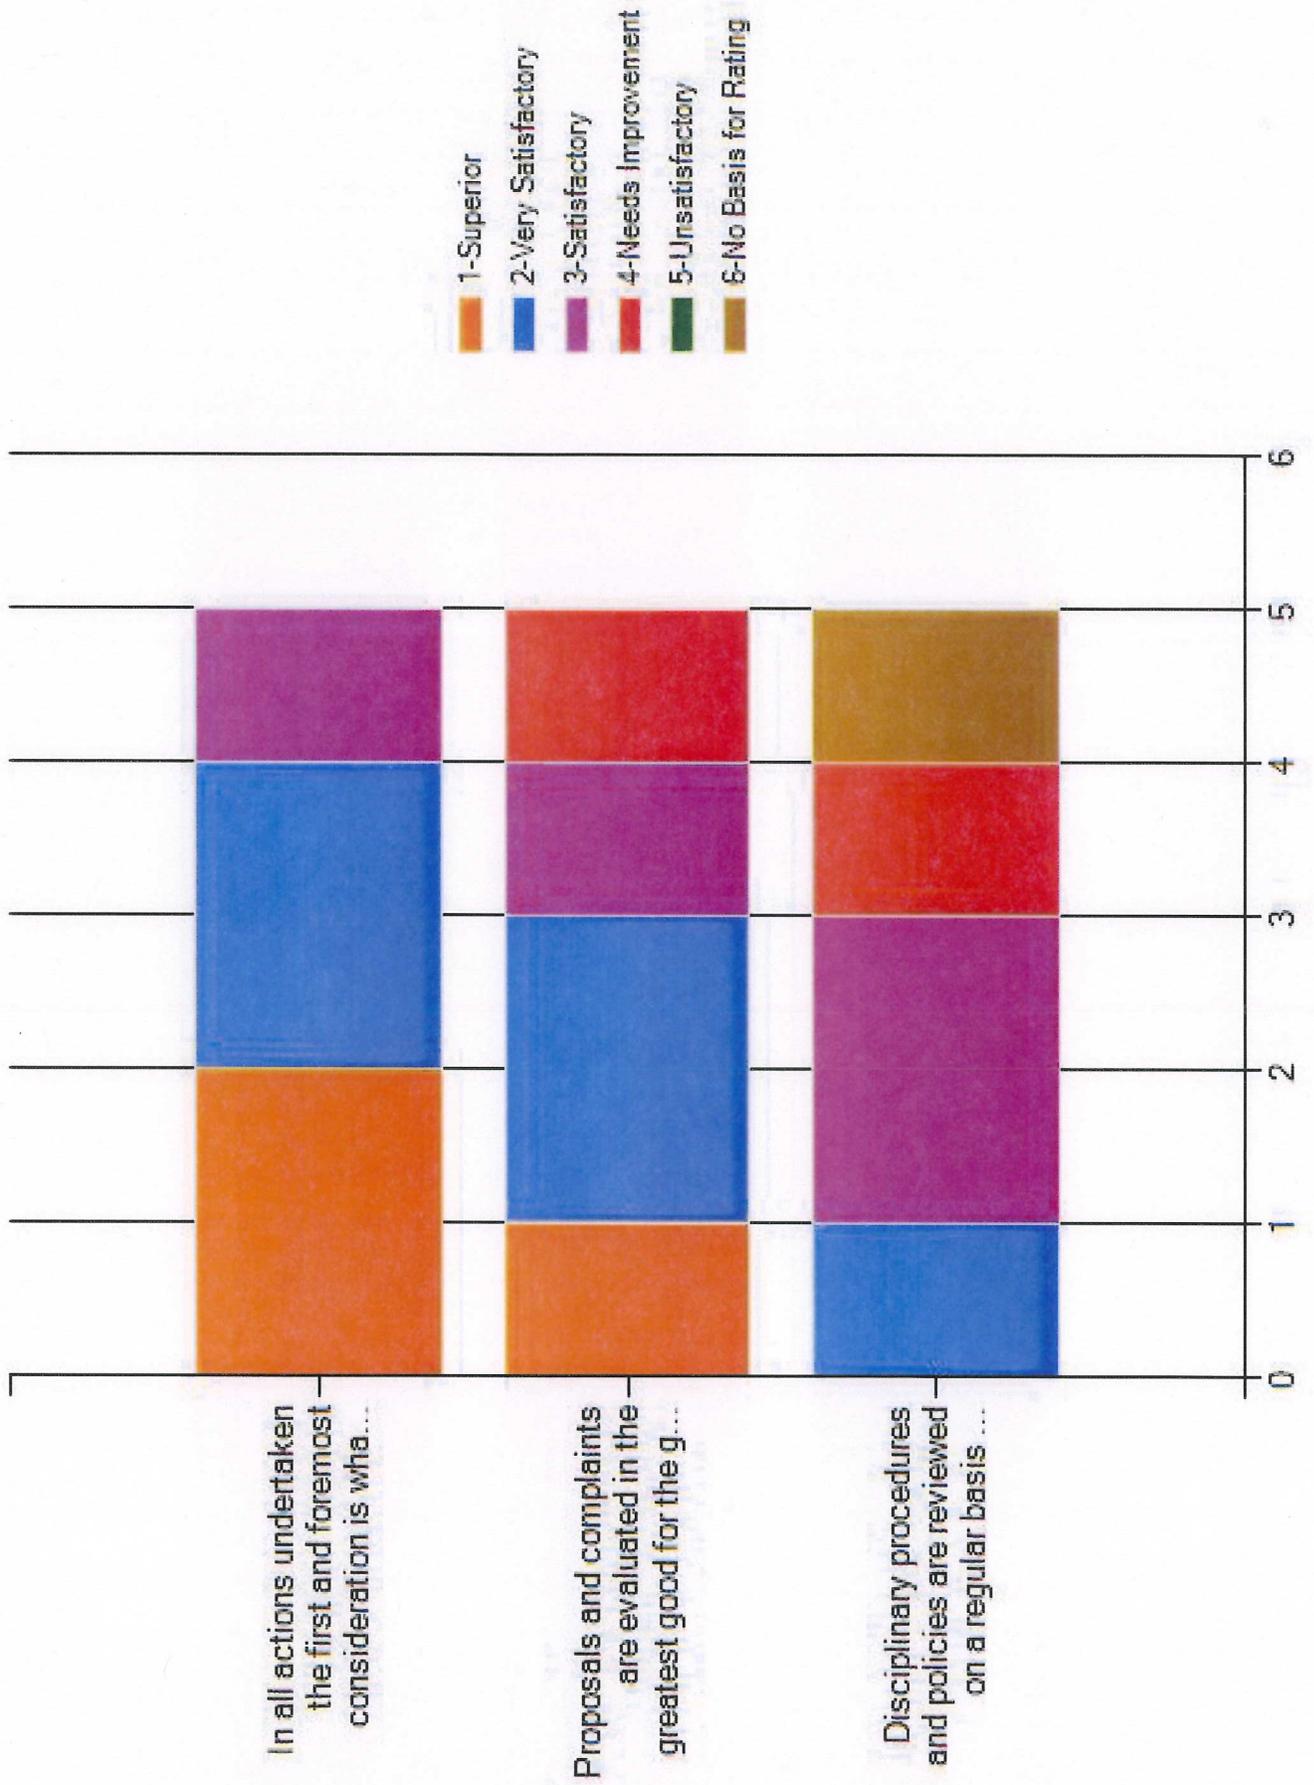

With the Elkhorn Mine going into production, we are now receiving metal mines license tax funds from that mine. A portion of these funds are to be distributed to affected school districts. As this is a new mine, the Commission must decide which schools the license tax should be distributed to. If possible, please submit verifiable evidence that your school district is or could be affected by the start-up and eventual closure of the Elkhone Mine.

Sincerely,

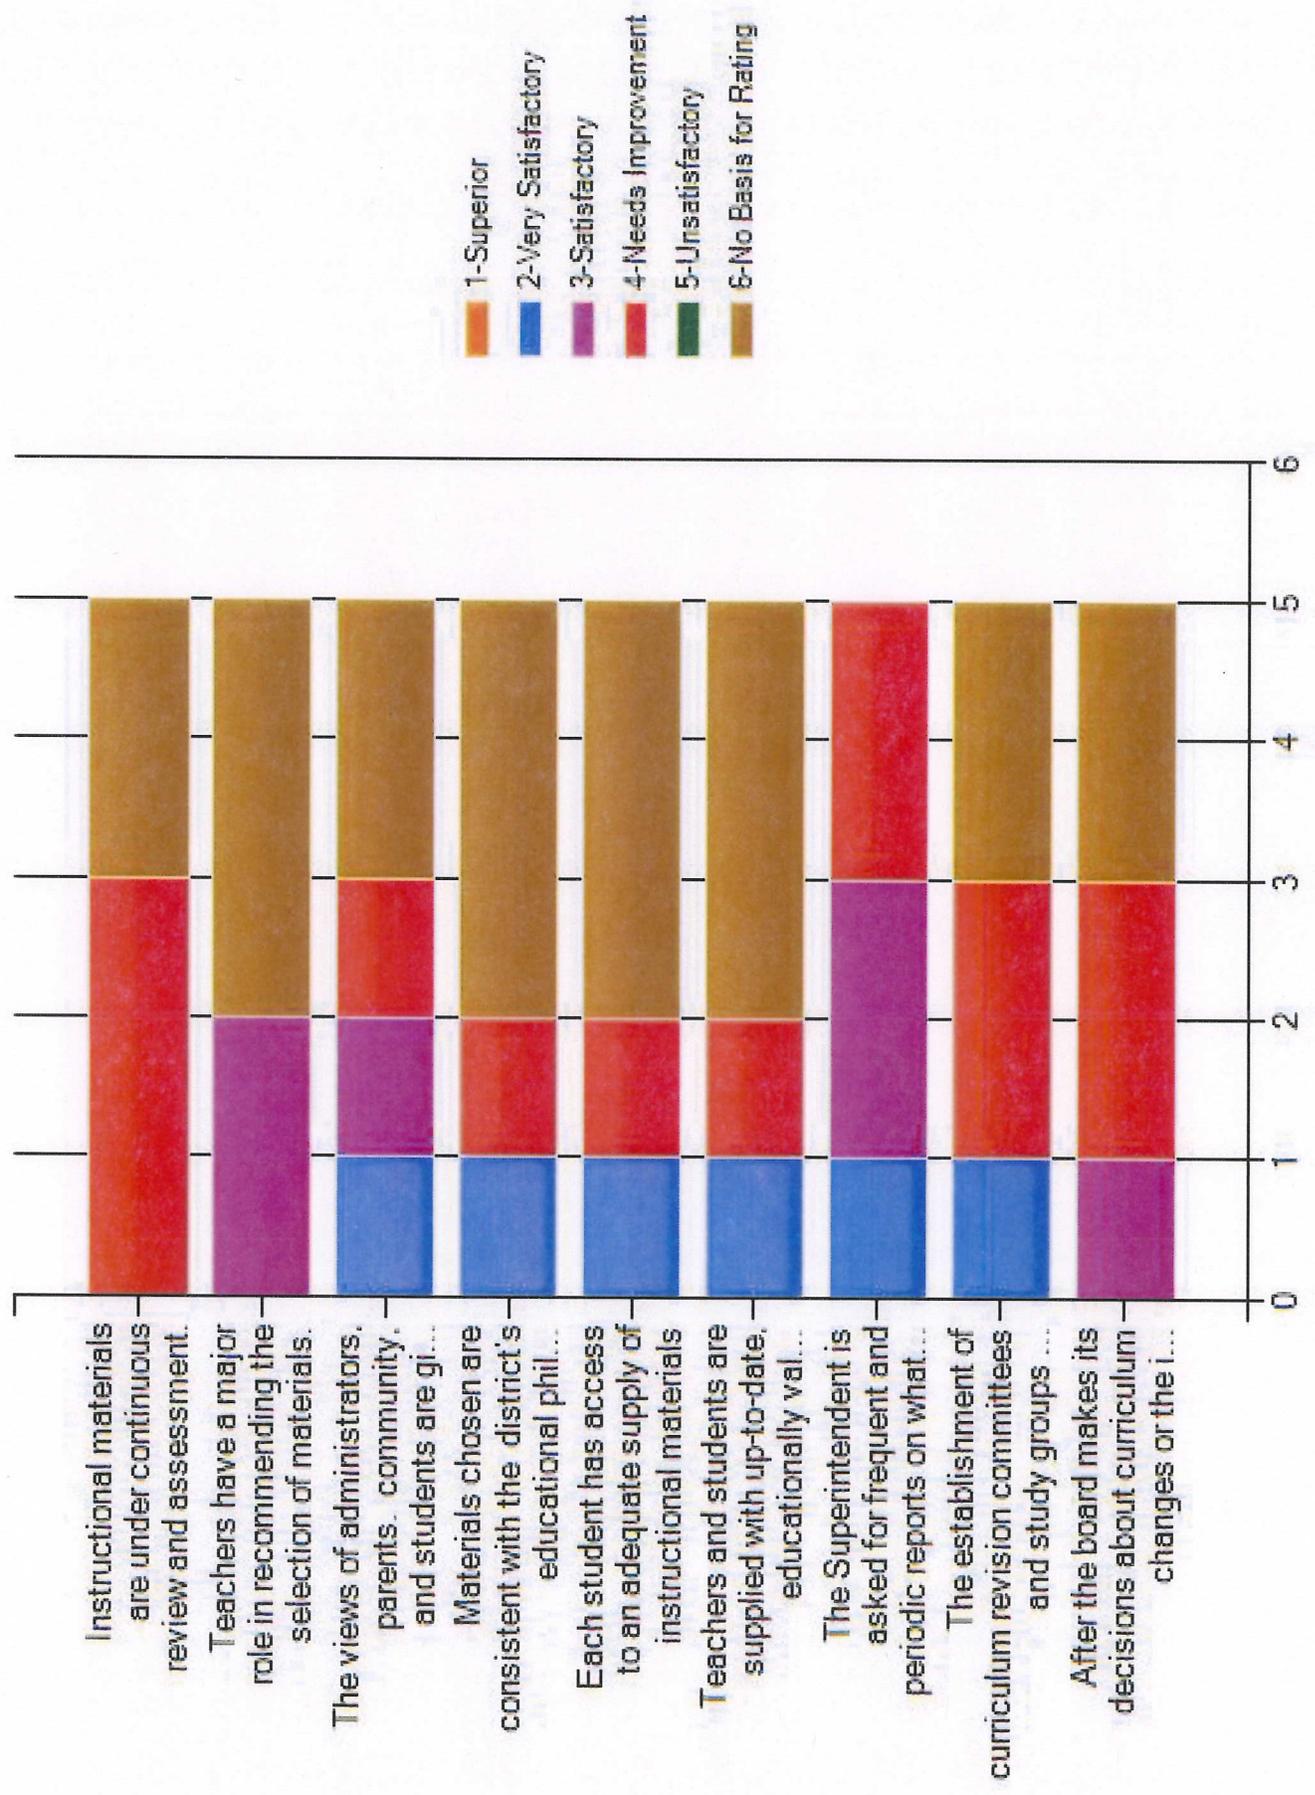

A handwritten signature in cursive script that reads "Carolyn Henry".
