Draft Mission Statement

The Jefferson High School District #1's mission is to provide the best possible education for our youth for whatever path of life they choose; to be the school of choice for students, teachers, and staff; and to be the heart of the communities we serve.

(Mission statements name what we're all about, what we want to be known for, what makes us unique, and convey a strong image for ourselves and our stakeholders. They are one sentence long, appear in our school in prominent ways, are printed on all of our agendas, and are read aloud at the beginning of all meetings. They are understandable to our next door neighbors. They do not explain how we go about our work, nor are they just three or four words; that is a slogan and fits on a pen)

Our vision for the future, second draft:

Students:

- Achieve high test scores and graduation rates that are competitive nationally;*
- Graduate with a plan for life that they feel well equipped to pursue;*
- Choose our school over other options because of our solid reputation;*
- Feel happy, challenged, safe and supported throughout their time here;*
- Appreciate and fully engage in our activities that augment our core curriculum; and*
- Have access to technology that enhances their learning opportunities.*

Teachers:

- Actively support students with their time, attention and obvious commitment;*
- Have the tools and resources necessary to do optimal work;*
- Are proud to work here and of their contribution to the school;*
- Are committed to continuing education and the use of best practices;*
- Look at our District as a long-term career commitment; and*
- Feel confident about the Board's decisions and plans.*

Our Administration and Board

- Commit to be knowledgeable about best practices*
- Establish, devote themselves to, and evaluate their priority goals on a regular basis; and*
- Work as a collaborative team to make decisions that always focus on what's best for students, teachers and our communities.*

Our communities:

- Are knowledgeable of and highly respect our commitment to excellence; and*
- Support our work in many ways – their time, funds, levy votes, ideas, and enthusiasm about our students and their activities.*

(Vision statements name the results we are seeking, the outcomes of our work, the optimal world we want to create. They are intentionally spoken in the present tense for the power and positive attitude it conveys, versus “We will ...” They are not achievable next week; they require long-term commitments.)
