The public may submit questions to be asked of the candidate. 3x5 cards will be available at the back of the room for a member of the public to use to submit a question. The superintendent will review and select those that will be asked of the candidate as time allows.

The superintendent will determine the candidate he will recommend to the board for hire. That determination could be made at this meeting but it could be made at a later date and a special meeting of the board called to receive and act on the superintendent's recommendation.
